Monday - 8 October 1951

2. WLP informed Congressman Kersten that his proposals had been turned over to Gordon Gray to coordinate the Government's point of view and to assist Mr. Kersten in whatever manner possible in support of his request.

3. Mr. Rogers, of the staff of Congressman Lanham who heads the International Organizations Subcommittee of the House Committee on Expenditures, called to inquire as to whether we had any information on [REDACTED]

[REDACTED] I gave him certain information and told him that I would be glad to make the information available to the Congressman should he desire to have it. He also desired information regarding two American's abroad, but I informed him that we did not
